

FUN BASEL Vol XII Speakers

Launchlabs Basel – 24 May 2018

Antonio Bene

is dedicated to inspire people and be an example of living transformation. In his business he offers retreats and trainings that mix a transformational Leadership approach with oriental martial arts. Antonio has a Master degree in psychology from the University of Bern. He is accompanying people to discover their own potentials to let them spread their talents and empower their Leadership competence. The Japanese Samurai art Tenshin Shoden Katori Shinto Ryu conveys my life path and it teaches me to be faithful towards my own values and my focus. This martial art, he is teaching in Basel activates the power, passion and courage for achieving your goals. The combination of martial arts exercises and systemic constellation techniques are important elements in his work as an Inspirational Coach & Trainer for personality development.
